Students access our form on our site to fill out their request including the class, timing & relevant information

> Tutors get notified of incoming requests and respond

The tutor and student set up a time they can meet to go over what the student needs help with

After their appointments are over, students are able to provide feedback which allows tutors to acknowledge what they are doing well and what they can improve on for future appointments.

The tutor helps the student with their questions and ensures they have a good understanding of the material by the end of the appointment
