Driver for European Smart and Sustainable Regions

LET'S PLAY

PASS THE WORD AND CATCH THE BALL

- Please use the gallery view in ZOOM
- Turn on your camera
- Turn on your microphone
- Imagine, we have a virtual ball (which is rolling through your camera and screen)

PASS THE WORD AND CATCH THE BALL

1. If you hear your name and the imaginary ball is thrown to you, you will have to catch it
2. If you have the “ball” in your hands say the first word that pops in your head and say the name of somebody else and throw the ball through the screen
3. The game will end, if all of us had the ball at least once and the ball returned to the host

HUNGARIAN UNIVERSITY OF
AGRICULTURE AND LIFE SCIENCES

BIBORKA GILLAY, PHD

assistant professor

gillay.biborka@uni-mate.hu

- Main campus located in Gödöllő, about 30km from Budapest.
- Established in February 2021, under the new name, but dates back to 1797.
- It was set up to provide world-class education as the flagship of Hungarian agricultural education.
- Has a 14% international student population

INSTITUTE OF FOOD SCIENCE & TECHNOLOGY

- The Institute of Food Science was established in 1972 and is located at the Buda Campus of the University within the beautiful Buda arboretum.

[Hungarian University of Agriculture and Life Sciences \(MATE\)](#)

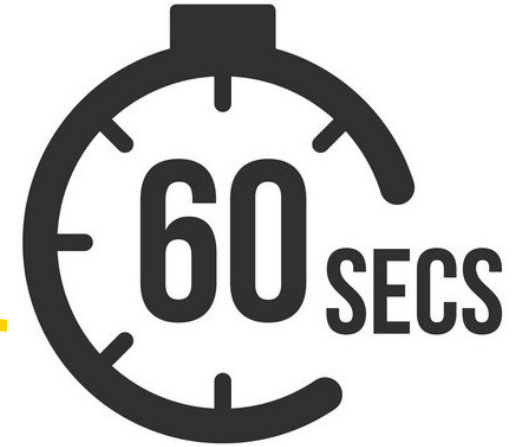

INTRODUCTION

Please introduce **yourself**:

- What is your name?
- Where are you from?
- What are you studying?
- Why did you choose the I Living Lab Mental Health & Seniors?
- Please imagine you are an object: what would you be and why? ☺

You have one minute

01:00
